Dear

Granville Circuit May 7 1825

Brother I feel thankful to God, that I am still on the shores of time, and enjoy a hope of heaven, the blessing I received in my soul, when I was with you and the care & new feel for the temporal and spiritual welfare of your charge, causes me to be thankful that I ever visited you. I have made some collection for you but they are too small, on the account of the public buildings going on in this circuit and the loss of Mr. Cunningham's two horses, the subscriptions all afftate in the circuit at once press the circuit, sum, I would be glad to bring out what I have against your Quarterly Meeting. If I don't come I shall try to send it, things move too slow a monster in this place, we have some good times I said some souls converted at our Quarterly Meeting and this day the Lord blest my soul in Preaching I took two in the church, I had I want to see the work of God revive. remembered me to your wife and all the McKas family let me assure you they all have a warm seat in my affections. Please to send me my shaving box and brush by the first opportunity. Love for me

James B Finley
